■ From molded-in cupholders to quality upholstery, there's no shortage of amenities on board the Chaparral 236 SSX.

TWO BOATS IN ONE

Torn between the roominess of a deck boat and the snap and speed of a sportboat? Chaparral can solve your dilemma with its new 236 SSX. Featuring a deck boat-style layout but

underscored with a racier V-bottom, this rig will keep you and 11 of your friends cruising in comfort. Standards include an aft sun lounge, an "activity platform" with boarding ladder, walkthrough

transom, and a wet bar and cockpit table.

The helm boasts power steering with a custom polished spoke, tilt steering wheel. Analog gauges feature fog-resistant lenses and

brushed aluminum faces with stainless bezels. And who won't appreciate the enclosed head for those really long days on the water? All of this, along with plenty of storage, a premium sound system and a 260 hp MerCruiser 5.0L MPI can be

yours for a base price of \$49,431. Among the available options are a wakeboard tower with speakers, amplifier and microphone; a transom shower; and bowrider filler cushions. Problem solved.
