Coollest Feature The optional aluminum radar arch, which gives a clue to the 256's inherent DNA structure: a deck boat with a pretty profile and plenty of muscles.

Families Will Love The great storage under the seats, floors and in-transom box.

Top Amenities Portable head, maple vanity and freshwater sink; additional sink in cockpit galley; ice chests; AM/FM/CD player with Sirius® satellite-ready radio and MP3 jack; cockpit dinette table; split-console dash; enclosed fiberglass head; walk-through foredeck.

Best Reason to Buy The 256 SSX is a refreshing paradigm for deck boat design – stylish, spunky and functional.
